1. Plan a purchase

Work out how long it will take you to save for something you can't afford to buy right now. Planning future income and expenditure is a key part of budgeting.

2. Compare mobile phone tariffs

A phone might look good but how much will it cost to use? Which tariff gives you the best value for money?

3. Memorise passwords and pin numbers

Keeping personal information safe and using secure websites helps protect your money.

4. Draw a picture of your lifestyle in 2030

Money has a role to play in all our dreams and aspirations. What kind of job will you do to meet your future needs and wants?
